**Mongoose—Appropriation for Payment of Bounty on. (Act 82, Apr. 15, 1915.)**

SECTION 1. The sum of \$2,500, or so much thereof as may be necessary, is hereby appropriated from the general revenues of the Territory to be known as the "mongoose fund," and is to be used for the payment of bounties on mongoose as contained in chapter 39 of the Revised Laws of Hawaii of 1915.

**Insanitary Land—Improvement of. (Act 190, Apr. 27, 1915.)**

SECTION 1. A new section is hereby added to the Revised Laws of Hawaii, 1915, to be known as section 976A, and to read as follows:

"SEC. 976A. *Maps and plans.*—If the board shall in any case recommend a system of drainage or of filling and drainage, the superintendent of public works shall, upon receipt of such notice, prepare a map of the land so reported upon by the board of health and to be so drained, or filled and drained, which land shall constitute a drainage district; said map shall show the district to be so drained, or filled and drained, the location and the size of each parcel or lot therein, a list of all known owners and occupants of such lots, the lots or parcels either within or without such drainage district through which rights of way for drains or ditches for draining said district are necessary, the amount of land necessary to be taken for such drains or ditches and for the banks thereof, a description of the same, an estimate of the value of said lands so sought to be taken for such rights of way, and of the damages sustained by any person or corporation by reason of such appropriation irrespective of any benefit to be derived by such land owners by reason of the construction of such improvements, which estimates shall be made respectively as to each person or corporation through whose land said rights of way are sought to be appropriated; such map shall also show the extent and location of the proposed drains or ditches, the width, depth and slope of the sides thereof, an estimate of the total cost of the system of drainage in and for said district, including therein among other things the cost of acquiring the necessary rights of way as aforesaid and of making ditches; estimates of the cost, respectively, of the filling of each lot or parcel of land in said district; and the estimate of the cost to be apportioned to and assessed against each lot or parcel of land in said district for the drainage as aforesaid of such lot or parcel, the apportionment to be as hereinafter required.

"If the board of health shall recommend only that the land be filled, such map shall, so far as practicable, show the present heights of each parcel, the height to be filled to, the approximate amount of fill required for each parcel and the estimated cost thereof.

"The superintendent of public works may, in his discretion, embody any of the information herein required in a statement to accompany the appropriate map instead of placing the same upon the map."

SEC. 2. Section 977 of the Revised Laws of Hawaii, 1915, is hereby amended to read as follows:

"SEC. 977. *Notice to owners to improve.*—It shall be the duty of the superintendent of public works upon the receipt of such notice to cause a copy of the same to be served in the manner prescribed in section 978 upon the owner or occupant of such land. The superintendent shall also notify each owner or occupant that a detailed statement and map or plan of the proposed improvement is on file in his office accessible to such owner or occupant. Said superintendent shall at the same time and in the same man-
